Need to cancel your booking? We appreciate your respect, and require a minimum of 24 hours notice for cancellations. If adequate notice is *not* provided, booking deposits and gift vouchers may be forfeited. Our full fee applies for 'no shows'.

We provide complimentary filtered rainwater; hand towels; beautiful salon standard organic hair care products from Everescents, plus the gorgeous local hand made Hemp Hemp Hooray skin care range and some Sukin products for your use. We also retail these products, so you get to try before you buy.

To get the most from your session please allow time to be punctual for your booking, as haste will impact on your ability to unwind and relax. Arriving late may unfortunately lessen your session. We sincerely regret keeping any client waiting; therefore we need to adhere to all booking times.

Health Considerations We ask you to fill out a personal health history form to ensure your utmost safety and comfort and to assist us to best meet your needs. Clients who have very high or low blood pressure, a heart condition, epilepsy, or any other serious medical concerns are advised to consult with their health practitioner before making appointments. Pregnant women may also wish to consult with their care provider. Many women enjoy the benefits of floating during pregnancy. We are happy to assist you with any enquiries and look forward to pampering you.
